Point Person Resources

Amazing Point Persons: Thank you for serving in this very important role!

As you move forward and mobilize your churches into LOVING KZOO, we want you to remember that this "movement" is not on your shoulders... it is on the very worthy and capable shoulders of JESUS! So although of course there is a lot of information necessary in order to get a bunch of churches to do something together, we want you to feel overwhelmed with how AWESOME Jesus is, rather than feeling overwhelmed with the task! And never hesitate to contact us if you need additional information or promo materials!

Care Packages

A CREATIVE WAY TO LOVE ... Care packages will be handed out by the street ministry teams as they make their way through Kalamazoo during Catalyst week. Most items can be found at the Dollar Store. All food items need to be individually wrapped and personal size packages.

Please DO NOT include home made items, chocolate or liquids.

Our goal is at least **1,000** of each item listed.

(You may sign up to donate as an individual OR as a church!)

NOTE TO CHURCHES: Please choose one or more of the items below and then have those items be the focus of your church's collecting efforts. Be sure to list your church's name in the "comments column" next to the items you choose!

Why we do what we do...

"If we're going to do this unity thing then it has to be intentional..."

As we DO unity we are going to see a supernatural move of God amongst the believers and then within the community."

--Pastor James Harris (Trenches)
