

CREATIVELY LOVING

CREATIVE WAYS TO SHOW CHRIST'S LOVE TO THE COMMUNITY IS ONLY LIMITED BY YOUR IMAGINATION! SHARE YOUR IDEAS WITH OTHER GRILL-SITE TEAMS!

Grill Site teams are free to add additional activities that will show love in practical ways to the community. Some of the ideas could happen right at your site, others could happen with the street teams as they go deeper into the neighborhoods.

We encourage you to STAY SIMPLE and try to keep FELLOWSHIP a key priority.

Here are a few ideas ...

- Determine if there could be some “satellite sites” within your grill sites neighboring area. These could be areas that are probably too far for people to easily walk to the grill site. Perhaps you could have some sack lunches or snacks to hand out, and perhaps set up a some games / crafts
- Free Car Wash
- Free Hair cuts
- Send teams into nearby grocery stores. You could raise some money to bless a set number of people by paying for their groceries.
- Send teams into nearby nursing homes (arrange ahead of time with staff)
- Send teams to hospital parking lots
- _____ ***Dream with God for more ideas!***
