JLK365 is the year-round follow up strategy for Jesus Loves Kzoo

- Cultivating Unity
- Revealing God's Kingdom
- Engaging the Church
- Connecting & Discipling

It will take the whole Church working together to accomplish our shared goal of seeing lives transformed and every believer planted and fully thriving in a Christ-Centered faith community!

It's Time to Live Out the Gospel!

For years you've been participating in small group Bible studies, learning, sharing and growing in your faith.

Now is the time to step out, be stretched outside your comfort zone and live out the gospel!

Hundreds reach out for prayer and support during Catalyst Week and it will take the entire Body of Christ working together to accomplish the goal of seeing lives transformed and for revival to be realized in our communities.

This is your time church!!

JLK/365 has something for everyone... no matter what your passion.

Those we connect with are at different stages in their spiritual journey, so we tailor our approach to meet them where they are.

Here are some of the ongoing ministry opportunities through JLK/365...

JLK/365 Leadership - Individuals willing to meet periodically throughout the year to discuss and implement outreach strategies, develop and maintain the computer database, share ideas and plan events.

Data Entry Team - Individuals meet during Catalyst Week to enter information from prayer cards into the computer.

Connectors - Volunteers who make initial calls and partner to conduct home visits immediately after Catalyst Week. Ongoing opportunities to engage and encourage individuals, working to develop long-term relationships and discipling opportunities.

Prayer Team - Works through KHOP to pray specifically over the prayer requests that come in during Catalyst Week and throughout the year.

Small Group Partners - We have developed Women's and Men's Discipleship Groups. We are always in need of those willing to provide childcare, transportation or snacks for our groups. Also seeking volunteers to rotate in leading discussion, plan outreach events and provide one-on-one mentoring.

Special Events Team - Help plan and volunteer at the Fall Connections Brunch, Thanksgiving basket delivery, Family Christmas Event, Winter/Spring King's Feast, etc.

*"For as in one body we have many members, and the members do not all have the same function, so we, though many, are one body in Christ, and individually members one of another. Having gifts that differ according to the grace given to us, let us use them.
~Romans 12:4-6a*
