2021 Volunteer Registration Information

If you love Jesus and you love our city, you can volunteer with Jesus Loves Kzoo! But we do need you to officially register...

Register Online at:

2021 Important Notes for Point Persons:

- If your church would prefer to use the attached **paper registration form**, we will need the Point Person to either scan the paper forms and send to our email or enter each volunteer's information through the online link.
- **For volunteers who do not feel comfortable serving in-person**, there are some important roles they can fill from home such as serving on an Intercessory Prayer Team, Assembling Care Packages or Writing Prayer Notes for the elderly. However, they should still fill out a volunteer registration so that we can send them more information on these options.
- **Covid Precautions:** We will be following Health Department guidelines (as posted in July), but most likely when serve situations are indoors (such as staging and prep) or outdoors where social distancing is difficult (such as food serving or children's crafts), masks will need to be worn. However, for other outdoor serving roles at the Grill Sites (where social distancing is possible) or on Street Ministry, we will leave it up to the individual volunteer's comfort level to decide if they want to wear a mask or not. It should go without saying that if a volunteer is feeling sick or has known exposure they should NOT come to the events. **Regardless, each volunteer must assume the inherent risks if choosing to serve in-person this year.**
