Point Person Resources

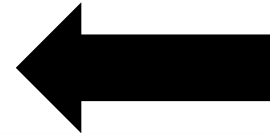

Amazing Point Persons: Thank you for serving in this very important role!

As you move forward and mobilize your churches into LOVING KZOO, we want you to remember that this "movement" is not on your shoulders.. It is on the very worthy and capable shoulders of JESUS! So although of course there is a lot of information necessary in order to get a bunch of churches to do something together, we want you to feel overwhelmed with how AWESOME Jesus is, rather than feeling overwhelmed with the task! And never hesitate to contact us if you need additional information or promo materials!
