

2022 Catalyst Week Grill Site Assignments

(Sorted by Church)

1) Look down the LEFT column for your church.

2) Follow the line across to see which location volunteers from your church should report to on any given day of Catalyst Week.

PLEASE NOTE:

> Not every church connected with JLK is on this list. If your church is not listed, go to the site each day where the Holy Spirit leads you. You do not have to tell us ahead of time - just show up!

> If a slot for your church says "choose your site", then you may go to either site that day. Go where the Holy Spirit leads!

> "Bold and Highlighted" means that particular church is part of the "Site Hosting Team" for that location (Example: Agape is part of the Site Hosting Team for Salvation Army on Thursday).
