

Jesus Loves Kzoo

2023 Volunteer Registration Information

If you love Jesus and you love our city, you can volunteer with Jesus Loves Kzoo! But we do need you to officially register...

Register Online at:

Jesusloveskzoo.org/volunteer/

2023 Important Notes for Point

Persons:

- If your church would prefer to use the attached **paper registration form**, we will need the Point Person to either scan the paper forms and send to our email or enter each volunteer's information through the online link.
- **For volunteers who do not feel comfortable serving in-person at a Grill Site**, there are a few important roles they can fill from home such as serving on an Intercessory Prayer Team, Purchasing Items for the Care Packages or Writing Prayer Notes. There are also lots of behind the scenes ways to help with prep and clean up each day. However, they should still fill out a volunteer registration so that we can send them more information on these options.
